-----------------------------

Fremont County Association of Governments  
Regional Ambulance Service Evaluation Committee  
Regular Meeting: Wednesday, April 22, 2026  
Meeting Minutes

Motion: N/A	Notes: Chairman Konija invited guest attendee Chris Rodkey to participate in discussion regarding representation for the Town of Pavillion.
Second: N/A	
Discussion: Mr. Rodkey indicated that, pending approval from the Mayor, he would be willing to serve as a representative for Pavillion. Vice-Chair Pryor requested his perspective on the issues before the committee. Mr. Rodkey acknowledged the complexity of the issues being evaluated and the importance of the committee's work in addressing regional ambulance service challenges.	
Action: (None)	

Agenda Item: Public Expectations Survey – Preliminary Results	
Motion: N/A	Notes: Preliminary survey results were introduced for discussion.
Second: N/A	
Discussion: The committee reviewed initial feedback from the Public Expectations Survey. Members discussed the importance of understanding public expectations regarding ambulance service delivery, response times, and overall system performance. It was noted that the results remain preliminary and will continue to be evaluated as additional responses are received. The survey is expected to inform future discussions regarding service levels and operational priorities.	
Action: (None)	

Agenda Item: Operational Model Options	
Motion: N/A	Notes: Discussion of potential operational models for ambulance service delivery.
Second: N/A	
Discussion: The committee discussed various operational models for ambulance service delivery within Fremont County. Conversation focused on governance structure, service delivery approaches, and administrative oversight. Members acknowledged that multiple models remain under consideration and that further analysis will be required to determine feasibility and alignment with community needs.	
Action: (None)	

Agenda Item: Funding Potentials	
Motion: N/A	Notes: Discussion of potential funding mechanisms.
Second: N/A	
Discussion: The committee briefly discussed potential funding strategies to support ambulance service operations. Members noted that funding considerations are closely tied to the selected operational model and that additional financial analysis will be necessary to evaluate long-term sustainability and funding adequacy.
